For students taking Pearson qualifications, this means that external assessments for BTEC Level 2 Tech Awards, Firsts, Technicals and Level 3 Nationals will not go ahead in February or March.*

Entries for these assessments should NOT BE WITHDRAWN. Further guidance on this will be published as soon as we have it. We want to reassure you that arrangements will be put in place for learners who are now unable to take external assessments to ensure they are not disadvantaged. For learners taking assessments in JANUARY, the current guidance still stands – Also see [Learner update on VTQ assessments](#) and [BTEC FAQs](#)

We are not starting from scratch: we have been considering different scenarios for some time and we have, of course, learned lessons from last summer. We will work towards the best approach for students so that they can progress on to the next stage in their lives.
